

Urine Collection and Preservation

Longest Stability at Room Temperature

1 COLLECT

DRIED PRESERVATIVE MAKES URINE COLLECTION SAFE AND EFFORTLESS

- ✓ No cumbersome pipetting of chemicals required to preserve urine samples
- ✓ Available in various formats to fit your collection needs: 5cc, 15cc, 50cc and single dose
- ✓ Urine preservative can be added to any collection format, liquid or dried

2 PRESERVE

PRESERVE URINE SAMPLES AT ROOM TEMPERATURE FOR UP TO 2 YEARS

- ✓ Acute preservation of urine samples regardless of origin (human or animal)
- ✓ Excellent preservation of cell-free nucleic acids and proteins for disease monitoring
- ✓ Long preservation time enables longitudinal studies and treatment monitoring

NORGEN **BioCat**
BIOTEK  CORP.
